Taking Turns

Practice taking turns with a spinner you make yourself.

Materials

Blunt-nosed scissors
Cardboard or heavy paper
Brass paper fastener
Marker
Paper or index cards

Directions

Cut paper into 3 x 5-inch pieces to use as instruction cards. Ask the children to think of activities to write on the cards. Here are a few suggestions:

- Clap your hands.
- Whisper, "No, thank you."
- Turn around.
- Touch your toes.
- Shout, "Yes, please!"
- Say your name.
- Knock on the door.

Mix up the cards. Have a child pick a card, then spin the spinner to see how many times to do what the card says. For example, if the spinner stops on four and the card says "Say your name," the child will say his or her name four times.
